## September Fun Facts

- **The birthstone for September is the Sapphire and the flower is the Morning Glory.**
- **September comes from the Latin word septem, meaning seven, because it was the seventh month of the Roman calendar.**
- **Those born at the beginning of September are Virgo and those born after September 22 are Libra. Virgo are known for being kind, practical and hardworking, while Libra are known for being loyal, fair and romantic.**
- **It's National Biscuit Month, National Potato Month and International Talk-Like-A-Pirate Month.**
- **September is the first month of the fall season, beginning on the 22nd.**

I believe in the dignity of labor,  
whether with head or hand; that the  
world owes no man a living but that it  
owes every man an opportunity to  
make a living.

## Pet Corner

## Tips for New Pet owners

Bringing a new dog or cat into your family can be just as stressful as it is exciting, especially if you are a first time pet owner. Here are some tips to help welcome your new furry friend into your home.

### 1. Prepare your home

Set up a space for your new furry family member, complete with bed and lots of toys.

### 2. Acclimate to the new environment

Introduce your pet to each room slowly. Adult pets need more adjustment time than puppies or kittens.

### 3. Choose the right pet food

Select a food that fits your pet's specific needs. Avoid foods with corn, meat by-products and food dyes.

### 4. Stock up on supplies

Be sure to get all of the pet essentials before your new family member comes home.

#### Dog Shopping List:

- Leash
- Collar
- ID Tags
- Dog Food
- Toys (Chew Toys, Soft Toys & Balls)
- Bed & Blanket
- Food & Water Bowls
- Dog Waste Bags
- Brush or Comb
- Dog Shampoo & Conditioner

#### Cat Shopping List:

- Collar
- ID Tags
- Cat Food
- Toys
- Scratching Post
- Bed & Blanket
- Food & Water Bowls
- Litter Box & Scoop
- Cat Litter

### 5. Find a veterinarian

As soon as you choose the perfect companion, bring them to a vet for a new pet check-up.

### 6. Be patient

Your new furry friend will need time to adjust to the new surroundings. Stay calm and consistent, and your new pet will soon feel right at home.

## Book Readers Supper Club

*America's First Daughter*, by Stephanie Dray and Laura Kamoie, is the September selection for the Highland Shores Readers' Supper Club. Martha "Patsy" Jefferson Randolph, the oldest daughter of Thomas Jefferson, is the narrator of this work of historical fiction. Beginning with the period right before the death of her mother when Patsy was almost 10-years-old, an intimate portrait of her life is revealed. Due to her father's appointment as minister to France, she spent five years in Paris where she enjoyed an active social life. After returning to Virginia, she married her cousin, Thomas Randolph, Jr., resulting in a tumultuous relationship and the birth of 12 children. Family tragedies seemed to dominate her life, but throughout, the most important and stable relationship was with her father.

Please join us on **Thursday, September 6th at 6:00 p.m.** for a lively discussion and dinner, with participants contributing to the main course. For more information, contact Diane Brown at 972-317-0801 or [dbrown3801@verizon.net](mailto:dbrown3801@verizon.net).

## THE HIGHLAND SHORES

### BOOK CLUB

*We meet the first Monday of every month at the Community Center*

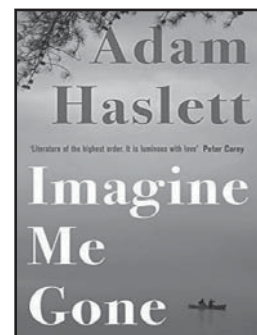

*Imagine Me Gone*  
Adam Haslett  
Fiction

From a Pulitzer Prize finalist, a ferociously intimate story of a family facing the ultimate question: how far will we go to save the people we love the most?

When Margaret's fiancé is hospitalized for depression in 1960s London, she faces a choice to carry on with their plans or back away from the suffering it may bring her. She decides to marry him. *Imagine Me Gone* is the unforgettable story of what unfolds from this act of love and faith. At the heart of it is their eldest son, Michael, a brilliant, anxious music fanatic who makes sense of the world through parody. Over the span of decades, Michael's younger siblings struggle to care for his increasingly troubled and precarious existence.

Told in alternating points of view by all five members of the family, this searing, gut-wrenching and yet frequently hilarious novel brings alive the love of a mother for her children, the devotion siblings feel toward one another and the legacy of a father's pain in the life of a family.
